

50th Anniversary Edition DISH IT UP

DISH IT UP is Philadelphia’s premier women chef competition, featuring delicious food, an open bar, and the opportunity to connect with hundreds of local change-makers, all while benefiting Women Against Abuse’s services!

For 50 years, Women Against Abuse has led the movement to end domestic violence in Philadelphia, touching the lives of more than 10,000 people each year. We provide many of the city’s only services, including emergency shelter, hotline counseling and legal representation to empower survivors to escape from relationship abuse and thrive. But we can't do it alone. We need your support. **The funds raised through DISH IT UP make a direct impact on the health and safety of Philadelphia!**
