# ABOUT US

Women Against Abuse is the leading domestic violence service provider and advocate in Philadelphia, and has served an average of 11,500 people over the past five years.

OUR GOAL IS TO INCREASE AWARENESS OF ECONOMIC OPPORTUNITIES AMONG SURVIVORS OF ABUSE & EQUIP CLIENTS TO ACHIEVE THEIR UNIQUE EDUCATIONAL AND CAREER GOALS, SO THAT THEY CAN REMAIN SAFE AND THRIVE.

MORE THAN 94% OF SURVIVORS FACE FINANCIAL ABUSE, INCLUDING:

- ruined credit scores
- inconsistent work histories
- homelessness

THESE CHALLENGES CAN TRAP SURVIVORS IN UNSAFE SITUATIONS BY LIMITING THEIR OPPORTUNITIES TO REBUILD AFTER ABUSE.

# HOW YOU CAN HELP

## CAREER PANEL

Increase survivors' awareness of various career pathways by sharing your own journey.

## WORKSHOPS

Offer workshops related to interviewing skills, job readiness, résumé preparation, applying for financial aid for higher education, or other areas of expertise.

## SPECIALIZED SERVICES

Partner with clients around résumé development services, job skills or career assessments, and interview techniques.

## WORKFORCE DEVELOPMENT CONSORTIUM

Become a part of a robust workforce development consortium to better support survivors of intimate partner violence as they seek to obtain living wage jobs.
